JUNIOR FENLAND LEAGUE

ROUND ONE

Three home teams to be drawn or nominated to fit into clubs home programme.

The remaining 12 clubs to be drawn at random to each of the arranged galas.

Round one to be completed by an agreed date – say mid-February. Actual date of gala to be agreed by competing clubs.

ROUND TWO

Three further home clubs to be drawn. The remaining 12 clubs to be allocated by a random draw. Round two to be completed by mid-April.

ROUND THREE, FOUR & FIVE

To be arranged by the above method with round three completed by mid-May. Round four by the end of July and round five by the end of October.

All lanes to be allocated at the draw, host club to be given lane three.

FINALS

Three clubs to volunteer to host the three finals. In the event of there not being a suitable club volunteering to host a particular final then the least recent club, in the relevant gala(s), to host a final will host. The five top clubs to be in the 'A' Final. The five middle clubs in the 'B' Final. The five bottom clubs in the 'C' Final. Teams going into the 'A' Final to receive **ten** bonus league points, and those in the 'B' Final **five** bonus league points. In the event of a tie, after five rounds, in both league and gala points for 5th and 6th position and for 10th and 11th position the number of first places will be taken into account when deciding which final the teams are allocated. The points received in the three finals would be added to the points scored from the previous five rounds, which together with the bonus points would decide The League Winners and the final positions 1st to 15th.

Trophies to be awarded to the **League Winner** and to the **Individual Winners of Each Final**. All trophies to be perpetual.

In the event of a tie for the trophies awarded for the Finals then the number of first places on the night will be taken into account. If a tie still exists, the number of second and subsequent places will be taken into account.

Any club failing to participate in any gala rounds 1-5 shall have 50 points deducted from their total gala points scored in the last round gala (finals gala).

Any club that swims an ineligible swimmer in rounds 1-5 shall have 2 points deducted from their total gala points scored in the last round gala (finals gala) for each event (race) that any ineligible swimmer swims.

The leagues management committee shall have the power to disqualify any club from taking part in any league finals should they consider that the club has attempted to manipulate their league position by means of failing to provide a team to compete at galas.

POINTS

Scoring shall be 5 points for first place down to 1 point for fifth place. Non-starters, non-finishers and disqualified swimmers shall score zero points. In the event of a tie or dead heat all teams concerned will be awarded the highest points for that place. Each gala winner will receive 5 league points, second place receive 4 points, third place 3 points, fourth place 2 points and fifth place 1 point. In the event of clubs with equal points at the end of **the six** galas the league positions will be determined by the club(s) with the higher number of race points. If a tie still exists the number of race first and subsequent placings will be taken into account. In the event of a gala having less than five teams competing the points will be adjusted afterwards by the secretary/adjudicator. If four teams are competing the gala points for each team will be reduced by ten.

PROGRAMME

Ages shall be as at the date of the **Finals** for the year in which the competition takes place. Only swimmers that have reached the age of 9 years by the date of **these finals** may compete in any round as per Swim England Law.

Cut off times are used as follows:

‘THE JUNIOR FENLAND LEAGUE GALA CUT OFF TIMES’ are as per our printed programme for the following age groups: 13/U, 12/U, 11/U, 10/U and 9 years. Swimmers who exceed (i.e swim faster than) these times either Long or Short course at **any gala or time trials** cannot compete in the appropriate individual events or relays unless the time is exceeded on the night of the gala. There is no penalty for exceeding the times in the gala but obviously the swimmer will be debarred from swimming that event thereafter. The 9 years butterfly swimmers must not have exceeded the 10 years 50m butterfly cut off time prior to the gala.

EVENTS

12/U and 13/U – 50m all strokes plus 4x25m Individual Medley.

11/U and 10/U – 50m all strokes.

9 years – 50m all strokes, accept Butterfly to be 25m.

Squadron relay to be 8x1 length – one boy one girl from 10/U, 11/U, 12/U and 13/U age groups. Freestyle cut off time to apply for the age group the swimmer is competing.

No ineligible swimmers to compete in individual or team events (overage, unregistered, previously broken cut off times, previously swam for another club etc.) for a time only swim.

All relay and individual swimmers names must be handed in to the recording desk before the gala starts. **Full names** as registered with the League must be used.

Squadron relay names to be in race order, youngest to eldest, boys first, girls second.

Official recorder sheets will be provided and should be used.

Each home club is responsible for giving results of the gala to all participating clubs and must send a copy to the League for scrutiny.

Any club that has used a swimmer that has previously exceeded THE JUNIOR FENLAND LEAGUE GALA CUT OFF TIME standard will lose the points for that race and amended results will be issued.

SWIMMERS IN SPARE LANE: THIS WILL BE LEFT TO THE DISCRETION OF THE REFEREE.

REGISTRATION OF SWIMMERS

All swimmers must be registered two weeks before round one and additional swimmers to be registered three days before taking part in any later gala.

Separate lists for male and female with their date of birth.

Registration of names to be sent to the adjudicator.

Swimmers having **swum** with a club are not allowed to **swim** with another club during the same competition year January – December.

FINANCE

Each club to pay an affiliation fee to be set at the AGM each year to cover cost of programmes, result sheets and expenses.

The remaining teams to be drawn at random to each of the arranged galas.

On the night of the gala the points will be scored depending on the number of teams competing, for example a six-team gala will score 6 points for 1st place, 5 points 2nd place, 4 points 3rd place etc.

A league table will be drawn up by scoring each event from the two round one galas depending on the number of teams competing in the league, for example a twelve-team league will be scored 12 points for the fastest time, 11 points for the next fastest, 10 points for the next fastest etc.

FINALS (ROUND TWO)

Two teams to volunteer to host the round two finals. In the event of two suitable clubs not volunteering to host then the least recent club, in the relevant gala(s), to host a Senior League gala will host.

Any club failing to participate in the first-round gala shall have 50 points deducted from their total gala points scored in the second round.

'A' Final to be contested by the six highest scoring teams in the round one galas when an 11/12 team division and by the five highest scoring teams when a 9/10 team division.

'B' Final the remaining teams.

In the event of a tie on the points scored after the first round between clubs then the number of first places will decide which of those clubs will compete in the A & B finals, if a tie still exists then the subsequent places will be taken into account.

The trophies to be awarded to the winners of the 'A' & 'B' Finals.

If a tie exists, the number of race first and subsequent placings will be taken into account.
